FOR IMMEDIATE RELEASE

Annual Remodelers Tour Slated

April 28, 2010 Looking for a weekend activity? The Builders Association of Northeast Indiana has the perfect way to spend an afternoon! That's right Saturday May 1st and Sunday May 2nd it's the sixteenth annual Remodelers Tour. Attendees will have the opportunity to FREELY tour four homes in the Steuben and Branch County Area.

"Started years ago, the tour is an opportunity for some of our area builders and remodelers to showcase their skills," commented Lyndsey Osterholt, executive officer. With the support of major sponsors like, Homes by Jim Ingledue Construction, the tour remains free to the public. Showtime kicks off Saturday morning at 10 am and concludes at 5 pm. As an added bonus this year, the tour has expanded to include Sunday 12 noon to 4 pm. "The reason for the additional time slot is simple, to see more folks" said local remodeler and show participant Jeff Deahl, president of Four Seasons Design and Remodeling.

Homes being showcased include a new construction at 2248 W Orland Road by Bob Buescher Homes on Crooked Lake, a room addition at 6630 N Lake Gage Drive by Designing Innovations on Lake Gage, an entire house remodel at 705 Pearl Beach Road on Coldwater Lake by Musson Builders, and a mother-in-law suite addition at 1104 Spring Hill Drive in Angola by Four Seasons Design and Remodeling.

"Whether you are in the market for some fresh paint colors and design ideas, or even considering a new kitchen or bath, the tour provides ideas and the chance to meet area experts without the pressure of committing to anything," said Osterholt.

For additional information or pictures of homes being showcased, please call, Lyndsey Osterholt, Executive Officer, at 260-665-8921.
