

Purpose: The Builder's Association of Northeast Indiana Educational Scholarship Foundation is awarded to deserving students who have chosen the building industry as their future vocation to continue in that field and to excel in their studies.

Awards: BANI will award scholarships to deserving students who have chosen the building industry as their vocation. Scholarships will be awarded to individuals desiring to continue their education to enhance their career in the building industry, whether it be a structured degree, certification, designation apprenticeship, or an approved continuing education class.

The awards are no less than \$500 per school year and are non-renewable. The award is subject to change at the discretion of BANI. Possible reasons for changing the award amount would be an increase in scholarship fund endowment, increasing college tuition costs, and the scholarship review committee's decision to increase the number and the amount of awards. The award will be presented to the student or their designated representative at the May BANI general membership meeting.

Eligibility: The student must be at least a senior in high school and be in good standing with the school. The student must also be a legal resident of the state of Indiana. The student must be either sponsored by a BANI Member and have a written referral letter from that Member or reside in counties in which BANI operates (Steuben, Noble and LaGrange Counties). The student must be enrolled in a construction technology program or a related construction field of study or full-time job in construction. Past recipients are eligible. Applicants may receive a maximum of two awards.

Criteria: Each student will be judged according to academic achievement, prior work experience in the area of construction technology, recommendations by faculty and employers and specific career objectives.

Selection: Applications must be submitted to BANI by April 20th 2018. The announcement of the winning candidate(s) will occur in May, 2018.

Applications are due by April 20th 2018 and can be submitted via mail, or email:

BANI is a local trade organization representing Indiana's home building, remodeling and light commercial construction industry. Our scholarship program has been developed to assist students studying construction technology or a related construction field. We encourage students who have an interest in finding a career within the residential construction industry to apply.

Personal Information

Name of Applicant: _____ Birth Date: _____
Last First Middle initial

Permanent Mailing Address: _____
City State Zip Code

Telephone: _____ Email Address: _____

Marital Status: _____ Number of Dependents: _____

Academic Information

High School: _____ Dates: _____ to _____

College / University: _____ Dates: _____ to _____

Department: _____ Major: _____

Current GPA: _____ Cumulative GPA: _____

Status: Full Time Part Time and Undergraduate Graduate

Number of credit hours enrolled in this semester: _____

Number of completed credit hours in major: _____

Total number of completed credit hours in all course work: _____

Class Standing (year in school): _____

Number of outstanding credit hours needed to graduate: _____

Type of degree to be received upon graduation: _____

Anticipated graduation date: _____

Have you participated in any vocational training; if so where? _____

Other relevant training: _____

Construction skills: _____

Other Information
